BB&N's *Day of Giving* is a one-day, **24 hour** event where the entire community has the opportunity to come together to show their combined support and pride for BB&N by making a donation to The BB&N Fund—the School's annual fund. The BB&N Fund supports 6.4% of the School's operating budget. Without it, the endowment would need to double in size! The BB&N Fund has continued to serve each generation of Knights and faculty members, making the BB&N journey possible for all.

For more information please contact The BB&N Fund at
thebbnfund@bbns.org or 617-800-2727.

UNLOCK the Challenge!

If 150 donors in the BB&N community make a gift of any size, it will **unlock an additional \$100,000 leadership challenge gift** made by a small group of donors.

If 250 donors in the BB&N community make a gift of any size, it will **unlock another \$100,000 leadership challenge gift** made by another small group of donors.
