Arts

Fostering creativity, building confidence, spreading joy, and deepening our understanding of what it means to be human — the arts are essential at FCS!

Faculty Support

FCS teachers are leaders in their fields, and they remain committed to life-long learning from their students and peers, as well as from professional development opportunities.

Student Programs

From signature programs like the annual 7th grade Echo Hill trip to clubs like Model UN, FCS provides students with rich experiences both in and out of the classroom.

Financial Aid

Drawing exceptionally strong students from across the greater Philadelphia region, FCS offers generous financial aid to keep our doors open to economically diverse students.

School's Greatest Need

Unrestricted gifts support academic programs and allow FCS the freedom and flexibility to respond to pressing needs and promising initiatives.

Athletics

Good sportsmanship in competition, the satisfaction of something bigger than yourself, the discipline needed for a healthy life, all are part of FCS athletics.
