

February 2020

Dear Salutation 2,

I hope that your recovery has continued smoothly since your stay at the Rehabilitation Center Location, which is part of our network. Our number one priority is to help you regain strength, independence, and vitality so you can return to your life.

During your stay at RC, **you had a chance to get to know the doctors, nurses, therapists, chaplains, and aides who are at the heart of RC's patient- and family-focused care.** They come to work every day with the singular mission of getting you back to the people and activities that you love. It's these heroes who truly make our care special.

Today, I hope you'll say "thank you" to those heroes by making a gift in honor of the people who made a difference to you.

Here's what one person had to say about her hero:

"Virgilio (nursing aide) showed great care in attending to patients. He is an expert in his field and is kind, caring, helpful and always has a pleasant manner. I would definitely continue to use the center if I needed rehab in the future."

Will you make a donation in honor of your heroes? With your gift, we can continue to deliver personalized, holistic care. You'll support doctors, nurses, and staff who advance the standards of health care through innovation and specialized expertise in the needs of older patients.

Your generosity will give us the resources we need to constantly improve the quality of life for people as they age, particularly during rehabilitative care. For example:

- *Your gift will help to provide palliative care services, which help patients and families discuss care options and make choices based on each individual's goals and values.*
- *Your donation will fund chaplains and social workers who tend to the spiritual and emotional needs of our patients.*
- *Your gift will support our expressive therapists, who use music, movement, and art to reach patients who need intensive physical, psychological, or social support.*
- *You'll support career development programs that help our staff provide better care for patients, and develop the personal and professional trajectories of frontline caregivers.*

These services would not be possible without the generosity of people just like you. Will you send a gift today?

I'm so thankful that you chose the Rehabilitation Center for your rehab care. And I hope you'll continue to choose us – this time, through a donation that honors the care you received.

I wish you all the best as you continue your recovery.

Sincerely,

Teresa Lisek
Director of Development

P.S. As a nonprofit organization, we rely on the generosity of community members like you. I hope you'll make a gift today in honor of the Rehabilitation Center doctors, nurses, aides, and therapists who helped you.

I would like to honor my Health Care Hero by donating

Full Name - ID

I WOULD LIKE TO DONATE:

☐ \$500 ☐ \$250 ☐ \$100 ☐ \$75 ☐ \$50 ☐ Other \$ _____

☐ I have enclosed a check

☐ I would like to charge my gift to my card: ☐ AMEX ☐ MasterCard ☐ Visa

CARD NUMBER	EXPIRATION DATE	CSV
