Middlesex

The Middlesex Community—Stronger Together

This year we have faced complex challenges as we continue to help students “find their promise.” We have forged ahead with new technologies and processes as we work with students, both on campus and remotely.

All of our efforts have been made possible, as always, by the strength and commitment of our extended community. In addition to helping fund our academic, athletic, and arts programs, your gift, no matter the size, supports our ability to offer financial aid to eligible families and provides for the continued development of our faculty.

We are grateful to our community and thank you for considering a gift to the Middlesex Annual Fund this year.

YOUR GIFT, NO MATTER THE SIZE,
MAKES A DIFFERENCE.
