Dear [X and Y],

On October 13, more than 200 alumni returned to campus for Community Reunions and to cheer on our fall sports teams at a Wheeler Day alumni tailgate. The solidarity and camaraderie on campus was palpable! It was inspiring for me to be in the presence of so many who not only believe in Pingree but who represent the best of this community: strength, confidence, warmth, and ongoing commitment to shared values and one another.

Another way to show your Highlander pride and endorse Pingree School is through your loyal support of the Pingree Fund, our most important fundraising priority. The Pingree Fund is a vital source of revenue that allows us to sustain an innovative program and serve students. Your support has a direct and immediate impact on the life of our school, which includes professional development for teachers, tuition assistance for families, funding for student life initiatives, and forward-thinking program opportunities. Most importantly, your support enables us to sustain a safe and inspiring environment in which students can learn, stretch, and grow into the fullest versions of themselves.

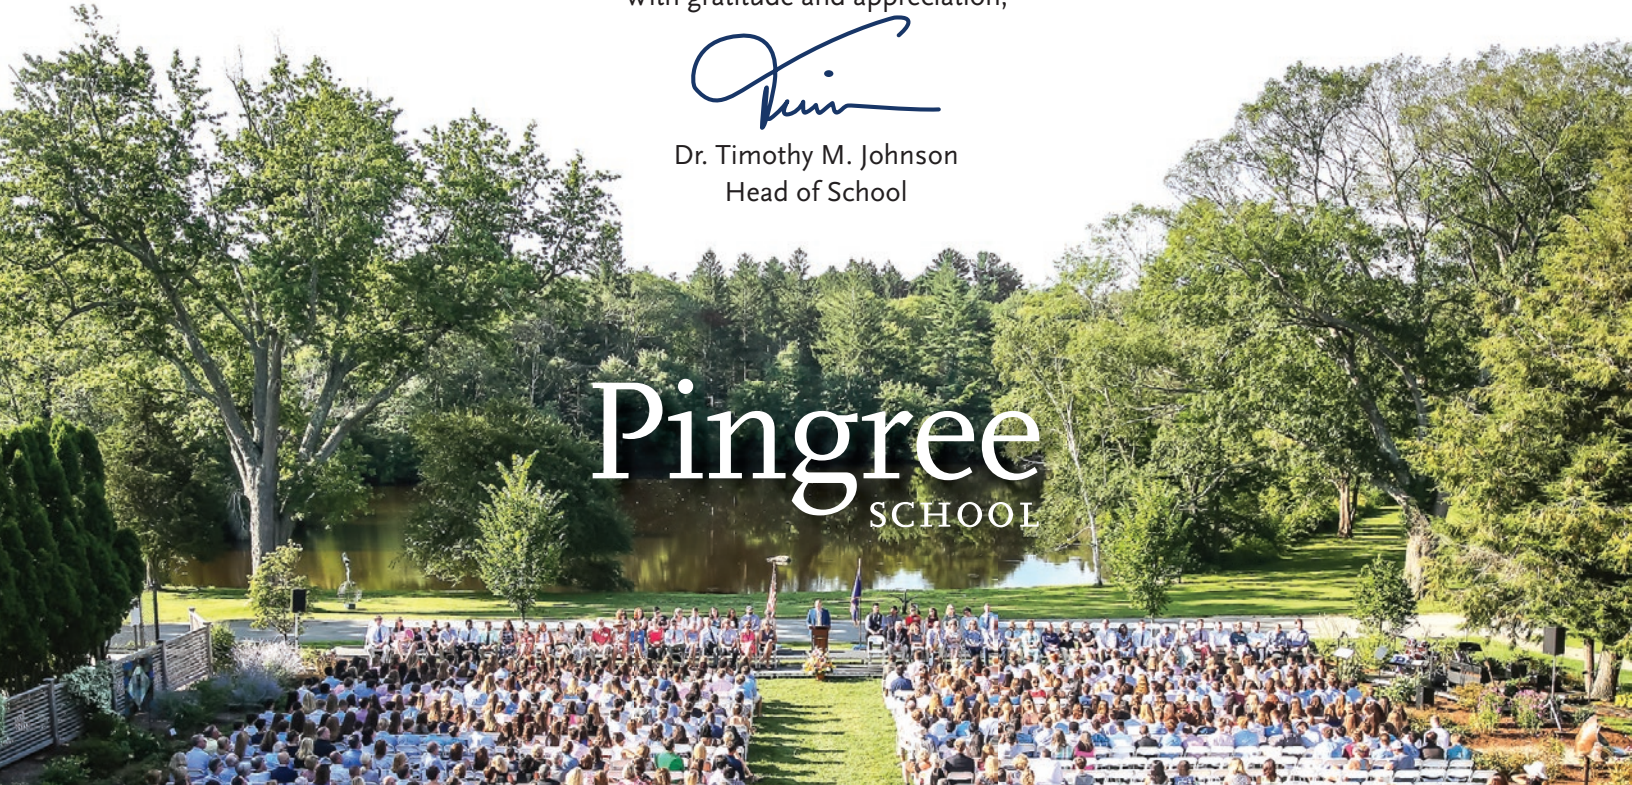

I encourage you to join your classmates and me in supporting the Pingree Fund this fiscal year with a gift or pledge of \$(TARGET) in honor of your XXth reunion. Early support of the Pingree Fund inspires higher levels of class participation and leadership giving. From the 5th Reunion to the 50th Reunion and beyond, your support builds community and forms the cornerstone of the Pingree Fund.

Thank you for your thoughtful consideration and valued partnership.

With gratitude and appreciation,

Dr. Timothy M. Johnson
