

You hold the power to support future Wildcats.

There are many meaningful ways to support UNH Athletics. Whether you direct your gift to a specific team, to scholarships or to assist the department in accomplishing its broadest priorities, your contribution will directly impact the future of our student-athletes. Show your Wildcat pride by giving to any of the following areas:

AD's Priorities

Gifts to this fund benefit ALL student-athletes and are applied to areas with the greatest need within the UNH Athletics department as determined by the Athletic Director.

Athletic Scholarships

Gifts to this fund provide aid to more than 330 student-athletes, making UNH more affordable and allowing us to attract the best student-athletes through competitive scholarships.

Specific Teams

Gifts designated to your favorite team fund go directly to them and provide additional resources for our coaches to invest in student-athlete success.

FUTURES BEGIN HERE

Support academic ambition. Support athletic dreams.
Support UNH student-athletes.

Providing opportunities for our student-athletes to pursue their athletic and academic dreams is always our top priority. We could not support our 500+ student-athletes without the generosity of donors. As we continue to navigate uncertainty, philanthropy is especially critical. With your help, our student-athletes will have the resources they need to become leaders in the classroom, champions in competition and role models in our communities.

We ask that you please consider making a gift before our fiscal year closes on June 30 so your generosity can be put to use immediately as we plan for the upcoming academic year.

Gifts to UNH Athletics enhance virtually every aspect of the student-athlete experience. Your support allows us to improve mental and physical wellness, offer summer school and academic tutoring, provide nutrition education and meal-prep lessons, and prepare student-athletes for the future through networking and career-development opportunities.

Giving now will impact a UNH student-athlete more positively than ever before. As our student-athletes continue to deal with effects of the COVID-19 pandemic, your gift will send a clear message that we are all Wildcats, and that we are behind them – through these challenging times and for life.

We are proud to offer an exceptional experience to our student-athletes and with your help we can continue to make that possible and even make it better. ***Make your gift, of any amount to any area of UNH Athletics, by visiting unh.edu/give/athletics or by using the enclosed envelope.*** We appreciate you doing so by June 30 to count toward the current fiscal year, but please know your gift is impactful anytime.

We and our student-athletes sincerely thank you for your ongoing belief in UNH and UNH Athletics.
