Our commitment to excellence in Catholic education has been possible thanks to the legacy of the Ursuline Sisters, our devoted faculty, and the unwavering support of parents, grandparents, alumnae, and friends. Together in the spirit of St. Angela, we have weathered storms, economic upheaval, pandemics, and political and social turmoil for over 127 years. Throughout it all, we have persevered, propelled by our faith, steadfast in our vision, and driven by our mission to empower students for leadership and service in our global society.

This year, the Academy's needs and expenses changed dramatically as a direct result of the pandemic. In the past, the generosity of our donors has allowed us to meet the challenges of our time. Today, we once again call on the tradition of giving and the philanthropic spirit of the Ursuline community. More than 420 students depend on donors like you for their Ursuline education. **Please consider making a gift to the Ursuline Fund today.**
